"Under the term cancer," he said,
"are several distinct diseases, but all
are due to the same lawless overgrowth of cells. Each of these diseases should be studied and treated
separately."

## SOCIAL and PERSONAL

Fachionable society is looking forward with the greatest interest to the series of dansants that are to be sometime to be ballroom of the Jefferson Hotel in the ballroom of Mrs. Mary Pace Groner of this city, and Mrs. R. W. liawkesworth, of New York. Plans for these entertainments are very elaborate, and the decorations and arrangeorate, and the decorations and arrangement of the ballroom will be most unique. The first of the series is a supper-dance that is to be held from 10 until 1 o'clock Thursday evening, and the second is a "the-dansant," which is to take place Saturday afternoon from 4 to 7 o'clock. Europe's orchestra will play for the dancing, and there will be special exhibition dances by Miss Margaret Hawkesworth and Basil Durant, who are prominent society dancers. The ultra-fashionable set will be out in large numbers to attend will be out in large numbers to attend bese functions, and many tables have already been reserved. Invitations Recalled.

On account of the indisposition of s. Stuart, Governor and Mrs. Henry Stuart last night recalled invitations issued for a dance at the Execu-tive Mansion to-night. Mrs. Stuart and her daughter, Miss Mary Fulton Stuart, returned yesterday from a stay of several weeks in New York, Philadelphia and Baltimore. It was stated that Mrs. Stuart's condition was not serious, but that it was considered advisable that she should not go out for several days. Mass Bacon Engaged.

che should not go out for several days.

Mass Bucon Engaged.

Says the Washington Herald:

"Of much interest to society is the announcement of the engagement of Miss Martha B. Bacon to George Whitney, of Boston and New York.

"Miss Bacon is the only daughter of Mr. and Mrs. Robert Bacon and is prominent in society here and in Boston, where she now makes her home with her parents. Her father was formerly United States ambassador to France. Her brother, Robert Low Bacon, married Miss Virginia Murray, daughter of Mr. and Mrs. Henry Alexander Murray, about a year ago, and another brother, Gaspar G. Bacon, married Miss Priscilla Toland. She has another brother, Elliott C. Bacon, who

married Muss Prisedlia Toland. She has another brother, Elliott C. Bacon, who lives in New York.

"Mr. Whitney, who was graduated from Harvard in the class of '07, lives with his mother, Mrs. George Whitney, at 147 East Thirty-eight Street, New York. He is a member of the Metropolitan, Piping Rock and other clubs.

"Mr. und Mrs. Bacon and their daughter have been dividing their time this winter between New York and Boston, No date has been set for the weiding." No date has been set for the wedding."

Miss Bacon has been much admired in Richmond, where she visited as the guest of Miss Belle Willard, daughter of the Ambassador to Spain and Mrs. Joseph E. Willard, and her engagement is of great interest to society here. f great interest to society here

Superdreadnought Oklahoma Is Launched at Yards of New York Shipbuilding Company.

Philadelphia, Pa., March 23.—The Superdreadnought Oklahoma, one of the largest and most powerful American battleships affoat, was launched to-day from the yards of the New to-day from the yards of the New York Shipbuilding Company at Camden, N. J. The giant sea fighter was christened by Miss Lorena Jane Cruce, daughter of the Governor of Oklahoma, who broke a bottle of champagne against the ship's prow as the hull began to wilde into the Deiaware River. Miss Cruce was surrounded by a dozen girl friends from Oklahoma.

by a dozen girl friends from Oklahoma.

Surrounding the christening party were Secretary of the Navy and Mrs. Daniels, Assistant Secretary Roosevelt, members of the congressional naval committees, the Oklahoma delegation in Congress, State officials and other Oklahomans. Governor Cruce, of Oklahoma, was detained at home. In honor of the ceremony the flag of Oklahoma waved to-day over historic Independence Hall.

The Superdreadnought Oklahoma will be one of the most powerful battleships that has yet been floated for the American navy. A sister ship, the Nevada, is under construction at Quincy, Mass. Only the Pennsylvania, building at Newport News, and the battleship No. 39, the keel of which was laid last week at the New York Navy Yard, will outstrip the Oklahoma in tonnage, displacing length or the power of her guns.

The length of the great senfighter is 578 feet, and her displacement will be 27,500 tons, or 500 tons greater than the largest American fighting ship now affoat.

In both armament and armor the Oklahoma will be far about of the Coklahoma will be far about of the Oklahoma will be far about of the O

Monticello, Ga. — Miss Tommie
Bowden, of this town, says: "I suffered for one long year with serious
womanly troubles—and it became so
bad that I thought no remedy could
cure my case.

I was nervous at times, and had a
sick headache so bad that I could
hardly bend over.

I tried two different kinds of medicine, but they did me no good.

I then began taking Cardui, the
woman's tonic, and I hadn't used it
but one day before I felt a great
change. I continued taking it, and I
know it saved my life. I believe it is
worth its weight in gold.

I hope every lady who suffers from

[Special to The Times-Dispatch.]
New York, March 23.—The National
City Bank, the biggest in the United
States, is going into new fields after
business. States, is going into new fields after business.

It developed to-day that its participation in James B. Duke's plan for the organization of a warehouse corporation to aid spinners and manufacturers in financing their purchases of cotton marks the initial step taken in its campaign for new business.

Reports had it to-day that the bank was making new plans to compensate it for the ultimate loss of interfor bank deposits that will result from the operation of the Federal reserve system. Of the \$225,000,000 to \$250,000,000 gross deposits of the National City Bank, \$40,000,00 are estimated as representing deposits by interior institutions.

A director of the bank, in discussing the solicitation of new business to-day, said:

"It has no connection with the Federal reserve system or any expected loss through interior deposits. We

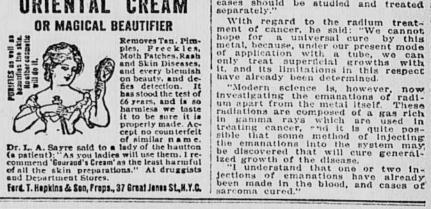

"It has no connection with the Federal reserve system or any expected loss through interior deposits. We are active and trying to think up as many useful things as possibile. We believe the warehouse scheme may be one of them, and there is also said to be considering the solicitation of interior commercial accounts which heretofore have been left for the interior banks, it being considered improper to solicit these accounts and receive the deposits of the interior banks at the same time.

Profits of national banks are not expected to be so large under the new Federal reserve system as in the past, and the largest banks are expected to follow the example of the National City and go into new fields,
